Introduction

The overall policy of the Governing Body is to run its finances within its delegated budget. It will aim to maximise the use of that budget together with any other sources of income or grant to deliver the School Development Plan.

This document aims to show how the school will ensure its financial affairs are conducted to achieve appropriate levels of accountability and stewardship within the requirements of the Wakefield Scheme for Financing schools (last revised September 2015).

1. Governing Body

- 1.1 The Schools Standards and Framework Act 1998 (Fair Funding) places a statutory responsibility on the Governing Body for all aspects of running the school, including its financial affairs.
- 1.2 To enable it to fulfil its role effectively the Governing Body may delegate some of its strategic responsibilities to Committees of Governors. Wakefield Governor Services recommends that Governing Bodies have two primary committees (Standards and Resources) whereby smaller groups of governors can meet and hold more focussed/targeted discussions. Some Governing Bodies choose to have a different committee structure and some choose not to use committees and just meet more regularly. If a Governing Body chooses to have committees, functions delegated to them should be outlined in the terms of reference that have been agreed by the Governing Body. In line with statutory requirements, the Governing Body reviews its committee structure, membership and terms of reference on an annual basis.
- 1.3 The day-to-day management of the school is delegated to the headteacher and senior members of the school's staff. The extent of these delegated powers is set out below.
- 1.4 In addition, to ensure the financial affairs of the school are properly controlled in line with current best practice and guidance, the Governing Body and headteacher have adopted the financial procedures set out in the appendix to this policy document.
- 1.5 The Governing Body have decided to ask the LA to provide the following services centrally and have accordingly allocated the associated part of their delegated budget:
 - Financial and accounting
 - Payroll
 - Creditor Payments
 - Repairs and Maintenance (Engie)
 - Governor Training
 - Clerking of Governing Bodies
 - School Meal Provision (ISS)
 - Cleaning (Engie)
 - School Library Services
- 1.6 The Governing Body have decided to let the following services outside the Council on the basis of a one year renewable contract in line with the Governing Body Purchasing Policy:-

Grounds Maintenance
ICT
Insurance

1.7 Delegated Financial Limits

There may be instances whereby due to exceptional circumstances, the standard approval process under section **3.4 Purchasing** of the Financial Procedures may not be viable to follow and an immediate response is required. Under these circumstances, the Resources Committee can authorise emergency expenditure (i.e. not within the approved budget) up to £5,000. This will require retrospective ratification by the Full Governing Body at the next Full Governing Body meeting. If a response is required before a Resources Committee is scheduled to convene the decision becomes subject to standard Chairs Actions procedures.

2. DELEGATED RESPONSIBILITIES

2.1 Headteacher

- 2.1.1 Has day-to-day responsibility for managing the school including financial and staffing matters in accordance with the Wakefield Scheme for Financing Schools, subject to regular reporting to the Governing Body.

Where such action has been necessary the amount involved and an explanation should be provided to the next available meeting of the full Governing Body.

2.2 Deputy Headteacher

- 2.2.1 The Deputy Headteacher should be aware of the Headteacher's responsibilities as well as those of the Governing Body. The postholder should be aware of the school's internal financial organisation to sufficiently enable the postholder to assume leadership of the school should circumstances dictate this.

They will ensure that the high standards of financial control demanded by the Governing Body are maintained.

3. FINANCIAL PROCEDURES

3.1 General Policy

- 3.1.1 The policy of the Governing Body is to use all funds received for the running of the school in the most effective manner by achieving “value for money (vfm)”.
- 3.1.2 An essential part of ensuring vfm is to have sound financial procedures. The Governing Body has reviewed the Wakefield Scheme for Financing Schools and associated local authority Financial Procedures Manual and has adopted the following procedures.
- 3.1.3 To ensure that all staff are familiar with these procedures they should each be given a summarised version of the financial procedures which directly affect them e.g. how to order resources, when to get quotations, cash procedures and inventory arrangements. New members of staff joining the school will also be given their own copy as part of their induction training. The School’s Business Director will hold a record of who has been given copies.

3.2 School Budget

- 3.2.1 The management and control of the school budget has been delegated by the Governing Body to the Resources Committee. The day to day management of the budget has been delegated to the Headteacher.
- 3.2.2 Monitoring of the school finances is an ongoing process. The Resources Committee shall review all aspects of the school’s budget each year in accordance with the principles of value for money as set out in the Wakefield Scheme for Financing Schools.
- 3.2.3 The Resources Committee will determine a proposed budget for the following financial year in sufficient time for it to be approved by the Governing Body and submitted to the local authority before the end of May (end of June if a Deficit Recovery Plan required).
- 3.2.4 The budget spending plan shall be constructed in line with the School/Premises Development Plan to ensure that the educational requirements of the pupils are met and that the environment within the school is at an acceptable standard. As the school’s budget allocation is mainly based on pupil numbers, fluctuations in these should also be monitored closely by the Headteacher and Governing Body.
- 3.2.5 **BUDGET MONITORING**
The Headteacher & School Business Director will work closely with the Resources Committee in monitoring the school’s finances. An up to date written statement of the school finances shall be included in the Headteacher’s report to the Governing Body meetings (at least every term). The format shall be in the local authorities standard format (e.g. Agresso Monitoring Report) and include spend to date and any known commitments, details of any forecast changes and explanations for any variances which affect the above financial policy. It shall be a written report, and in sufficient detail for the Governors to fully understand the school’s financial position. The report shall be available prior to the arranged meeting. The review and any action shall be minuted.

3.3 Salaries

- 3.3.1 Salaries shall be paid to teaching and non-teaching staff in accordance with agreed National Scales, taking into account local agreements and in accordance with the school's pay policy.
- 3.3.2 All salaries shall be reviewed annually by the Personnel Committee with the Headteacher in an advisory role. No staff governor shall be a member of this Committee.
- 3.3.3 Payroll procedures must make clear who is responsible for authorising all payroll changes. Only the School Business Director will have the authority to make changes to payroll payments which directly affect the agreed payroll budget including staff changes, increases in pay and signing overtime/lettings payments. The exception to this will be where the Chair of Governors authorises any changes in the Headteacher's pay.
- 3.3.4 All payroll payments are monitored to ensure that changes and additional payments have been authorised and that they are in respect of the schools staff.
- 3.3.5 A sickness report will be presented to the Resources Committee at each meeting reporting on its effects on the schools operation and budget in relation to the cost of supply teacher cover.
- 3.3.6 A sickness absence record will be maintained on the local authority's web-based sickness recording system and will be updated at least weekly.

3.4 Purchasing

- 3.4.1 The Governing Body will ensure that the principles of obtaining value for money are always followed particularly obtaining quotations and tenders as required by the Wakefield Scheme for Financing Schools. See Purchasing Policy (Appendix 1).
- 3.4.2 The Headteacher has delegated responsibility to authorise purchases of single items up to the value of £2,500 if the purchase of those items does not exceed the approved budget available for that expenditure head. If purchases require adjustments between heads of agreed expenditure (outside of the CIPFA classification of expenditure) to enable adequate budget to be available then these can be actioned up to £5,000 in consultation with the Chair of Governors.
- 3.4.3 However, in the event that the expenditure is required in an emergency situation for amounts above £5,000 and particularly those not included in the original budget or development plans, the Chair of Governors or the Chair of Resources Committee should be consulted and the expenditure reported retrospectively to the next meeting of the Governing Body.
- 3.4.4 Verbal quotations will be obtained and recorded for orders/contracts of less than £10,000 and records will be kept of the verbal quotations received.
- 3.4.5 All orders/contracts between £10,000 - £75,000 per project will be subject to three written quotations. The lowest quotation shall be accepted unless there are exceptional circumstances approved by the Resources Committee and

subsequently reported to the next full Governors' meeting. Records will be kept of the written quotations received.

- 3.4.6 For orders/contracts over £75,000 tender procedures shall be carried out in accordance with local authority regulations as detailed in the Wakefield Scheme for Financing Schools (section 2.17.7). The lowest tender shall be accepted unless there are exceptional circumstances approved by the Resources Committee subsequently reported to the next full Governors' meeting.
- 3.4.7 Orders over £60,000 must not be entered into without the prior agreement of the Corporate Director for Children & Young People.
- 3.4.8 Orders involving leases must be referred in advance to the Capita Asset Services helpdesk to ensure value for money (see leasing policy for further information).
- 3.4.9 Only official orders shall be used for purchases and these should fully describe the items required and agreed price. Where urgency necessitates a verbal or faxed order, this shall be followed by an official signed confirmatory order on the next day.
- 3.4.10 All orders will be authorised by the Headteacher to ensure that sufficient funds are available within the appropriate budget.
- 3.4.11 Before orders are placed for construction or related trades the School Business Director will ensure that the contractor holds a valid certificate issued by the HM Customs & Revenue confirming the contractor is properly registered under the Construction Industry Scheme. If a certificate is not held an alternative, registered contractor must do the work.
- 3.4.12 Goods and services shall be checked against orders for accuracy by someone other than the School Business Director. Wherever possible the suppliers goods received note should be retained with the school's copy order.
- 3.4.13 Payment shall not be made until a proper invoice has been received, checked for accuracy and delivery, and certified as such by the Headteacher.
- 3.4.14 As a school operating under the P2P system all orders, GRN's and invoices are processed in accordance with the guidance detailed in the Wakefield P2P Procedure manual.
- 3.4.15 Items above £1,000 or of an attractive/portable nature should be considered at this time for inclusion on the schools inventory.
- 3.4.16 The school will liaise with the Council's Taxation Officer on any capital projects to ensure that the VAT implications for the Council and School are full appraised. (For further clarification please refer to the VAT Education Manual (revised September 2016) in section 9 of the School Finance homepage on the VLE).

- 3.6.2 This account shall be reconciled on a regular basis (monthly) i.e. petty cash balances plus pre-paid card plus receipts for payments (vouchers) agreed to the imprest amount. After this reconciliation, the request for reimbursement must be authorised by the Headteacher or the School Business Director (SBD) if previously agreed. The SBD can't authorise the reimbursement if they are involved in the day to day administration of the imprest account.
- 3.6.3 The Imprest petty cash float shall at all times be kept securely controlled..

- 3.8.2 The process of maintaining the diary of any bookings should always be separated from the raising and collection of accounts. Review of any outstanding debts should be undertaken by someone independent of the collection process.
- 3.8.3 Where circumstances dictate that income should be collected at the time the service or letting is made then a receipt must always be given. If invoices are to be raised this should be done through Agresso Accounts Recievable.
- 3.8.4 The Resources Committee will also determine an income collection policy as to how charges are to be collected and their approach to allowing credit and late payment for the School Dinner Monies, Breakfast Club and lettings. Write-offs may only be considered by the Governing Body. Individual debts up to £500 may be written off by the Governing Body on notification to the local authority, but amounts above this need the formal written approval of the Assistant Chief Executive – Resources & Governance.

PURCHASING POLICY

1. Value for Money (vfm)

Introduction

The Governing Body is accountable for the way in which the school's resources are allocated to meet the objectives set out in the school's development plans. Governors need to secure the best possible outcome for pupils, in the most efficient and effective way, at a reasonable cost. This will lead to continuous improvement in the school's achievements and services.

Efficiency in Schools

The key to efficiency is *how* schools spend the money they have available, not just *how much* they spend. The key principles which the Governors will apply to optimise efficiency are as follows:

- maximise investment in teaching staff, activities and learning resources that will make the greatest difference to pupil outcomes
- be creative in minimising all other running costs
- focus on efficiency to assist in creating a more robust management system that will reduce the risk of financial irregularities
- continuously review how to optimise spending decisions to achieve the best outcomes for the pupils as improving efficiency is not a one off exercise

Purchasing

Governors and finance staff will develop procedures for assessing need, and obtaining goods and services which provide "vfm" in terms of suitability, efficiency, time, and cost. Measures already in place include:

- competitive tendering procedures (e.g. for goods and services above £75,000)
- procedures for accepting "vfm" quotes, which are not necessarily the cheapest (e.g. suitability for purpose and quality of workmanship)

2. Order Process System

- 2.1 All orders must be placed on the P2P system.
- 2.2 Verbal/ telephone/ online orders should only be placed in emergency situations and should then be followed up with a **CONFIRMATION ORDER**.
- 2.3 The order requisition must be fully completed and authorised by the budget holder.
- 2.4 All orders will be appropriately authorised by a second school officer.
- 2.5 Copies of the requisition form can be obtained from the school office.
- 2.6 Three verbal quotations will be obtained for orders up to £10,000

- 2.7 All purchases between £10,000 - £75,000 per project will be subject to quotations. The lowest quotation shall be accepted unless there are exceptional circumstances approved by the Resources Committee and subsequently reported to the next full Governors' meeting.
- 2.8 For orders/contracts over £75,000 tender procedures shall be carried out in accordance with LA regulations as detailed in the Wakefield Scheme for Financing Schools (section 2.17.7). The lowest tender shall be accepted unless there are exceptional circumstances approved by the Resources Committee subsequently reported to the next full Governors' meeting.
- 2.9 Orders for goods/services over £60,000 will only be entered into where the Corporate Director for Children & Young People has agreed to this.

3. Imprest

- 3.1 Petty cash payments should be kept to a minimum and only be used for amounts less than £50.
- 3.2 Any cash payments should be made from the petty cash float and **not** from cash receipts
- 3.3 IOU's or personal cheques must never be paid out of petty cash.
- 3.4 Salary related expenses i.e. car mileage, car parking and subsistence cannot be claimed via petty cash; a Wakefield Council expense claim form will be submitted through the payroll system.
- 3.5 A petty cash voucher must be completed for every payment of petty cash.
- 3.6 The person incurring the expenditure should complete the voucher and obtain authorisation. Vouchers should be crossed referenced to the appropriate account entry and filed in numerical order. The cash received must be signed for and a receipt provided to evidence the purchase and to allow for the claiming of VAT. The receipt must show the VAT Registration Number and the rate of tax; if not then a separate VAT receipt must be requested from the supplier.
- 3.7 A receipt for any cash advances must be obtained and held. Such vouchers would then count as part of the petty cash balance in hand.
- 3.8 The amount of petty cash held should be reconciled on a regular basis by an independent person. The cash in hand + balance on Pre-Paid Card + vouchers must balance to agreed imprest level.
- 3.9 A certificate shall be provided annually to the LA for the reconciled balance as at 31 March via e-mail to imprest@wakefield.gov.uk

4. Review

- 4.1 The purchasing policy will be reviewed by the Resources Committee on an annual basis.
