

## Student Centred E-safety Policy

It is important to stay safe on line when we are at school and when

we are at home. Here are the Highfield Student Council's ten helpful

reminders about e-safety.

1. Make your passwords difficult to guess.

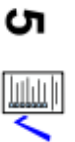

2. Don't tell any-one your passwords.

3. Don't talk to strangers online.

4. Don't tell people your full name or address when chatting on line.

5. Check your privacy settings.

6. Don't agree to meet people you have met online.

7. If you think that something is unsafe tell an adult.

8. Never put your phone number on social media.

9. Check with staff that the web-site you are using is appropriate.

10. Only kind words and suitable language to be used on line.
