

wild Adventure

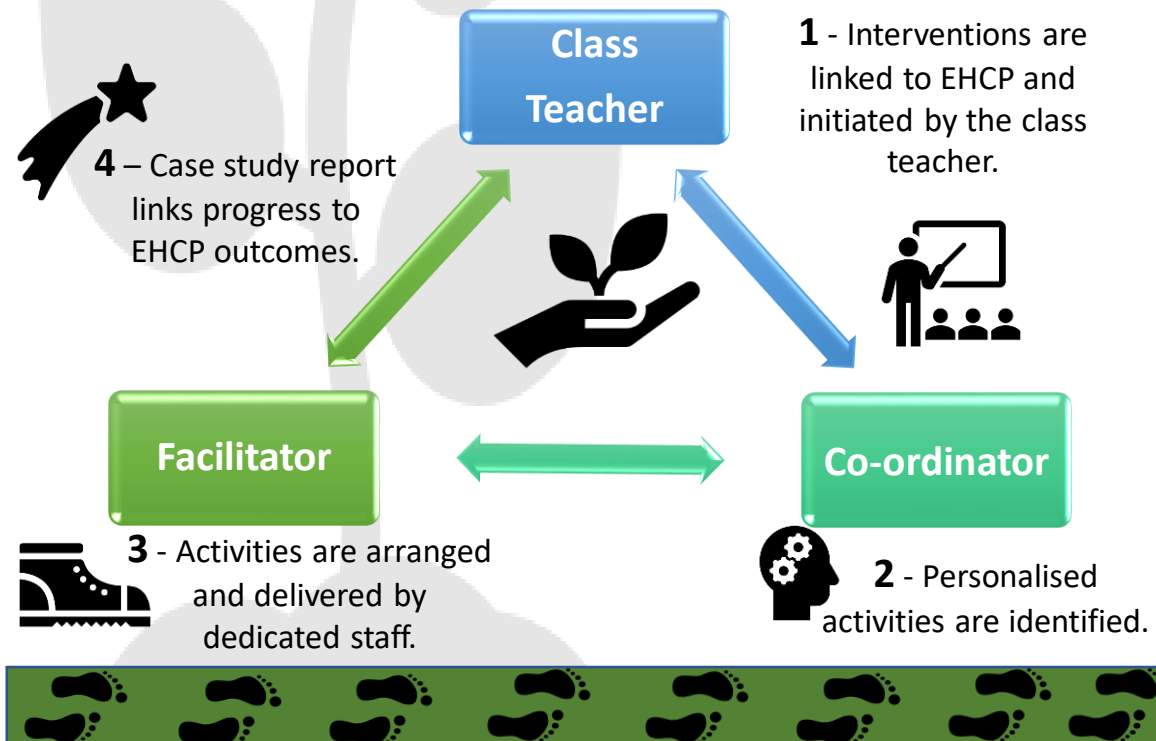

Wild Adventure is a fully inclusive outdoor programme that has positive impacts on young people's development. Two different delivery methods are used. Each activity used is designed to provide different levels of skill and challenge.

Method 1 - Formal Curriculum

Method 2 - Semi – Formal Curriculum Interventions

wild Adventure

The programme is made up of a wide range of challenging and adventurous activities that take place in the natural environment. It also promotes empathy and an ethic of care towards the environment.

Forest School & Young Leaders Award

John Muir Award

NICAS Indoor climbing award

Onsite camping
